

## English

Our main texts for this Term will be:  
Little Red Reading Hood  
The Owl who was afraid of the Dark

## Maths

We will be looking at number during the first term to include place value, number bonds, doubling and halving.

## Science

Our Science is linked to our topic through looking at Living things. Mini-beasts, habitats and food chains will form part of our learning this term.

## PE

We are going to enjoy Yoga and Multi Skills during the first part of the term and Tennis during the second part of the term.

## Computing

We are going to be thinking about how IT is used both in school and in the broader community. We will know how to use IT safely and in different ways.

# Into the Forest

## Year 2

**Learning Intent:**  
Children will have topic sessions that are linked to their Science, English and Art lessons to create holistic learning about forests and woodland areas across the globe.

# Autumn 2024

## Geography

Into the Forest will be the main focus of our Geography where we will be looking at physical features, how humans effect our forests as well as completing some fieldwork and learning new skills.

## PSHE

The children will be learning about changes and new beginnings, how to respect each other and be a good friend.

## RE

We are learning about being respectful to all religions. In this topic we are asking the question - What do Muslims believe and how do they live?

## Art

Our featured artist will be Henri Rousseau and we will be learning about how he included both portrait and landscape in his pictures. We will be using the skills to create our own artwork.

## Music

Our Musician of the months will be:  
September: David Bowie  
October: Nina Simone  
November: Ethel Smyth  
December: Elton John  
We will also be singing and performing our creations.
