

# Walk Like An Egyptian

## MATHS

Place Value

Rounding & Estimation

Addition & Subtraction

Counting in multiples

of 6,7,9,25,1000

Times Tables

## SCIENCE

Make a healthy menu using food ideas from ancient Egypt.

Name different human teeth and explain their simple function, recognise how to look after their teeth.

Draw a cut away section to show how food travels from the mouth to the intestines.

Explain the function of each part of the digestive system.

## LEARNING INTENTION:

Where, when, why and how the Ancient Egyptian Civilisation was established. Compare the Ancient Egyptian civilisation with the society, climate and terrain of Britain at the time. Discover how the Ancient Egyptian civilisation came to an end and learn about the remains of Ancient Egypt that exist in Egypt today

## GEOGRAPHY

Use maps, atlases, globes and digital mapping to locate countries and describe features. Describe key aspects of:

- Physical Geography, including: river Nile and surrounding desert area.
- Human Geography, including: settlements and land use.

## HISTORY

Understand the concept of change over time, along with evidence, on a timeline.

- Use appropriate historical vocabulary
- Draw an annotated diagram showing a cut away section of a pyramid.
- Show on a tree diagram some of the hierarchy of ancient Egyptian government.
- Explain about the discovery of Tutankhamun

## ENGLISH

Speaking & Listening  
Drama  
Fiction - narrative  
Non-fiction – newspaper  
Diary entry  
Fiction – alternative ending

## R.E.

Egyptian Gods and beliefs

How is faith expressed in Hindu communities and traditions?

How is faith expressed in Sikh communities and traditions?

## ART /DT

Draw Tutankhamun  
Design and build a felucca.  
Build or design a poster of a shadoof.  
Design an Egyptian crown.
